Good afternoon,

Our class worked hard on a variety of learning activities this week. We were wrapping up math chapter one and reading lesson two. The students enjoyed Go Gold Popcorn today. If you sent in money for your child to enjoy some today, I will forward it to next week. If you want to send in money for your child to enjoy some popcorn on Friday, PLEASE send in your dollar in by Wednesday.

Wish List: Thanks to Serenity's Family for sending in Fidgets and a sea turtle puzzle! Our class appreciates your support!

Pirate Day

I am sure you have already had this date on your calendar for a while, but just in case you have not, Tuesday, Sept. 19th is Talk Like a Pirate Day! This is an actual thing! We have several pirate themed activities planned and will have a fun time figuring out our Pirate names, reading some pirate books, solving a pirate math mystery, learning pirate vocabulary, completing a directed drawing, and enjoying some pirate snacks. Speaking of snacks, if you are interested in sending some of those in, we will need Pirate's Booty, gold coins or Rollo's, and Pirate Punch (Juice Boxes or Capri Suns). I will send out a Sign Up Genuis this weekend. Any help we can get would be great, mateys! 😊

Curriculum Night 9/21/23 5:30-6:15 (Rescheduled from the hurricane week)

Please plan to attend Curriculum Night. We will be discussing the third-grade curriculum, grade level expectations, new grading policy, and specific classroom routines and procedures.

Word Study Parent Information and List: Word Study Quiz #4 - 9/22/23

We will be using this list one more time for the Quiz #4. A list was sent home, it was attached to the 8/25/23 email, and I gave each child a copy to keep in their Foxfile. Even though we review the patterns and words in class, it is necessary for the students to also review the patterns and words at home
