Good afternoon,

The students are really getting into the swing of our routines and procedures. Most students have realized that finding **text evidence** before they answer questions is important in EVERY subject area. In math, **working through each problem** is the key to success. Some students are finding out if they do not study the vocabulary they will not do well. Please make sure your child is **reviewing vocabulary and word study words**.

Go Gold Day

Our class enjoyed Go Gold Day. We listened to a very sweet story called *Memoirs of a Goldfish* and completed a directed drawing. We enjoyed some Goldfish and a GOLD Coin leftover from Pirate Day!

Rock Your School - 10/13/23

We will be ROCKING OUT with related reading, math, art, and air guitar activities! We will also be working on a Pet Rock Project. **Each student needs to be on the lookout and bring in ONE rock for this activity by Oct. 2, 2023.** If you would like provide something for our Rocking Day please check out the Sing-Up Genius below.

Conferences: This year conferences will be held in person, by phone, or Zoom. I will be setting up a Sign-up Genius this weekend. Once that is ready, I will send you the link. Please indicate in the comment section which option you prefer. If we have already met, you do not need to sign up for another conference. Thanks!

Important Dates

10/13/23: Rock Your School 10/13/23: End of the first nine weeks 10/16/23: Teacher Planning Day 10/23/23: Boosterthon Kick Off	10/27/23: Fall Festival 11/3/23: Boosterthon Fun Run! 11/10/23: Veterans Day
