Good afternoon,

I hope everyone will have a wonderful Thanksgiving break. It is hard to believe that we will only have three weeks before our Winter Break and the end of the grading period. We still have a lot of learning activities to work through and of course lots of winter activities too!

Winter Celebration

The students and I discussed ideas for our Winter Celebration. The students voted for, and I totally love that they want to spend time together drawing, working on crafts, exploring STEM Bins and Legos, and playing playing games! They also voted for vanilla ice cream and toppings. The students would like chocolate chips, Oreos, chocolate syrup, sprinkles, gummy items, and whip cream. I will send out a Sign-Up Genius soon! If your child wants something extra that is not on the list feel free to send it in, I am sure other students will enjoy any extras! Thanks for your support!
