Good afternoon,

Another week zips by! We are halfway through the school year! The students are working hard in class, but some of need extra encouragement to make sure they are using the strategies we are learning. Please help your child by reviewing their math and reading homework. Some students are applying the skills we are learning, but quite a few are trying to get by without doing the work necessary to be successful.

Homework: Please ask your child to see his/her completed homework. Thanks!

Math: Review math facts/complete math HW worksheet labeled Monday, Tuesday, Wednesday, and Thursday

Language Arts: Review vocabulary, word study words, Read for A.R.

Double Sided Text Time: #27 Too Much Sugar! - Due Tues. / #28 Kirla's Quest- Due Wed.

2-14-24: Friendship Celebration

The students will **NOT** need to purchase Valentine Cards. Our class will be working on a Friendship Note Project instead of exchanging Valentine Cards. More information to come.
