Students Registering for HOPE, MCR, Liberal Arts Math, Earth/Space Science, Economics and Meteorology Honors:

1. Students registering for HOPE, MCR (Math for College Readiness), Liberal Arts Math, Earth/Space Science, Economics or Meteorology Honors through Leon County Virtual should visit **www.leongoesvirtual.net**
2. At the top of the page, select "High School" then select "Part Time".
3. Select the tab "Register for Digital Academy"
4. The next page list the available courses. Select the appropriate course.
5. Complete the questionnaire that is provided to you.
6. Once the course is activated, you can work on it from home or school. Make a plan to work on the LCVS coursework without skipping many days. Your teachers will expect you to complete a certain number of assignments EACH WEEK. Remember to check your messages during the week!

Students Registering for any other FLVS Course:

1. Go to **www.flvs.net**.
2. **Log in** if you already have an account, or **Enroll** if you are new to FLVS and not taken courses before. You will select FLVS Flex and follow the prompts.
3. Sign up for the courses you want/need by following the steps below:
 - a. Search for the course you are requesting.
 - b. Select the segment (semester) of the course you want.
 - c. Choose the start date with the calendar or type in start date.
 - d. Choose the virtual school you would like to take using the drop-down menu to select either Leon County Virtual School or Florida Virtual School.
 - e. Follow the remaining steps.

Please note: You do not need to contact your guidance counselor at Lincoln to approve the course. FLVS will contact Lincoln for approval automatically.

4. Once the course is activated, you can work on it from home or school. Make a plan to work on your LCVS coursework without skipping many days. Your teachers will expect you to complete a certain number of assignments EACH WEEK. Remember to check your messages during the week!
