## Classroom News:

Hello parents and welcome to first grade!

I'm so excited to be your child's teacher. It's going to be a great year full of learning and fun!

I will send out a newsletter at the beginning of each month to keep you informed as to what is happening in our classroom as well as Buck Lake. I will also send out emails if things come up during the month. Please feel free to email me if you have any questions at any time.

### Transportation Home:

I need your help! Please send a note or call the front office by 2:00 if you have a change with how your child will be getting home. Unfortunately, I can't take your child's word. It is my top priority that your child gets home safely. Thank you for your help!

### Birthdays:

Please be mindful of children's feelings while passing out birthday invitations. If you are able to invite the whole class, or all of the boys, or all of the girls, I'd be more than happy to put the invitation in the students' folder. I understand that you can't always invite everyone, so if this is the case, please pass them out outside of school. Thank you in advance!

This year we'll celebrate birthdays for the month on the first Friday of the month, except the month of August. I will send out a group email to the parents of the children who are celebrating their birthday so they can organize what to bring to the celebration. Please let me know if you're not interested in celebrating your child's birthday at school.

**Homeroom Parent:** Please email me if you're interested in volunteering to be our homeroom parent. Thank you!
