## Classroom News:

Please save the date for our Open House! It will be on Monday, September 21<sup>st</sup> from 5:30-6:30 in our classroom. Your child will take you on a scavenger hunt around our classroom and show you everything they have been working on in first grade. We will have a visitor from PTO come and say hello, as well as, our administration. I'm looking forward to this fun night to spend with you and your child!

Attached to this letter is your child's address and contact verification. Please look over the information on both sides carefully and sign and return it to school by Friday, September 25<sup>th</sup>. Thank you!

Please let me know if you have any questions about the homework. The spelling words for the week support the sound we're learning in reading. The sight words listed on the spelling word list are also very important to learn. These words are in the stories we read throughout the week and are on your child's weekly reading assessments. Thank you for your support at home! Again, please let me know if you have any questions about the homework.

I hope you all have a wonderful LONG weekend with your sweet kiddos!

**Homeroom Parent:** I would like to welcome Tracy Edwardd and Alice Maxwell as our homeroom parents. Thank you for volunteering!! We look forward to working with you!
