Dear Parents and Guardians,

We hope you have enjoyed your summer. Although it seems hard to believe, one month from tomorrow it will be time for the first day of school! The Sealey faculty and staff have been working diligently over the summer to ensure your child will have a positive educational experience.

This year, school starts on Monday, August 13th. Classes begin at 8:30 and students may begin arriving at 7:45. **If your child needs to arrive before 7:45 or stay beyond 3:20, please contact Dorence Dedge at 413-9104 for information on our Extended Day Program. Our Extended Day Program fills up quickly.** Dismissal will be at 2:50 each day. Parents must notify teachers of how students are getting home.

Safety of our students is a top priority!

Each year school bus routes are published in early August in a special "Back to School" section of the *Tallahassee Democrat*. Helpful information about the beginning of the school year is included along with bus routes. If you have any questions concerning transportation, please call the district transportation department at 488-2636.

Orientation will be held on **Thursday**, August 9th, from 1:30 – 3:00. Orientation is a special time for the children to locate their classroom, to meet their teachers and learn where to report the first day of school. Due to limited parking, we will have staggered start times.
