Dear Members of the Sealey Community:

Sealey's 2018-2019 School Accountability Report will provide detailed information related to, but not limited to the following areas: enrollment, demographics, student performance data, district and state student data. The data included in this report will help us to make adequate, sufficient decisions about the programs and services that we need to provide for our students.

You may access this document at the following web address:

<http://doeweb-prd.doe.state.fl.us/eds/nclbpar/index.cfm>.

Sealey prepares students to be responsible, respectful, and independent learners who will grow in his/her intellectual, physical, and emotional development in a way that increases academic performance and encourages student and school success. Although we know school grades only show a fraction of our success, we are pleased to share that our letter grade was a "C" for the 2017-2018 school year.

We would like to encourage your participation and input with our Parents and Teachers Organization and School Advisory Council. The meeting dates of these organizations are reported in a timely manner in parent newsletters, school website, and other forms of social media.

Please take the time to view our SPAR report in its entirety. We will send a printed copy of the report per your request through the school office. We hope this information will help you learn more about our school and understand our school improvement efforts.

Sincerely,

A handwritten signature in black ink that reads "Demetria Clemons". The signature is written in a cursive, flowing style.

Demetria Clemons
