

Fairview IB Preparatory Magnet Program

Partnership Fundraiser/Donation Form 2015-2016

Fairview Middle School IB Prep prides itself upon operating within the current staffing and budgets of our school. To maintain the quality of our program, the activities we do with our students, and the level of support we give the students and teachers of our program, we must maintain an adequate balance in our internal accounts not funded by the school.

Our IB Prep Parent Partnership decided at the end of last year that, while selling wrapping paper, candy, or other goodies is a viable fundraising alternative, they would rather raise the necessary funds (approximately \$4,000 per operating year) by simply making voluntary donations.

Donations of any amount will be accepted. Every donation counts! You will receive a tax deductible receipt and thank you letter from the IB Prep office when your donation has been processed.

We are dedicated to making the IB Preparatory Magnet Program the most successful and rewarding program for your student that it possibly can be. Please help us make this goal a reality by making a donation. Thank you in advance for your support!

Sincerely,

Eileen Mayer

IB Prep Administrator
