## 2<sup>nd</sup> Grade Character Education

- This week our character trait was **Obedience**. Behavior that is mindful and respectful of rules is obedience. Obedience isn't just about following rules. It's really about cooperating with one another in order to have a safe and orderly school, home, and community.

## This Week's Focus

Dear Parents,

We are so thankful that our Second Grade HRES family is doing well after Hurricane Michael. What a scary storm! The damage is unbelievable. We talked to our students this week about looking to the helpers during times of tragedy. Our school is collecting pennies to send to Sneads Elementary School for school supplies. Also, we are collecting items to donate to hurting communities. Thank you for your generosity! ☺
