411 Teen Radio Broadcast – Share your opinions!

411 Teen is a radio program that discusses important topics with students from the local community. Taping takes place once a month on Zoom. Only the audio is recorded. Taping begins @ 4:00 and usually lasts about an hour. The taping typically airs two weeks after taping. For any SGA member, this would count as an hour of volunteer time for my class. Please only sign up for a taping if you know FOR SURE that you can attend. I will send the Zoom link out to those that are signed up on the day of the taping.

September 22nd @ 4:30 pm on Zoom- Topic: Mental Health Issues (Stress, Depression and Anxiety) Sign-Up Link:

Word Up is SAIL's daily reading time for students and teachers. Each morning we begin 1st or 2nd period class with at least 15 minutes of sustained silent reading. This is a quiet time to get your brain cells fired up painlessly and has been shown to increase vocabulary, raise test scores, and improve reading comprehension skills.
