Word Up is SAIL's daily reading time for students and teachers. Each morning we begin 1st or 2nd period class with at least 15 minutes of sustained silent reading. This is a quiet time to get your brain cells fired up painlessly and has been shown to increase vocabulary, raise test scores, and improve reading comprehension skills.

Thoughtful words of the week, brought to you by FSA-

"Out of the mountain of despair, a stone of hope"

Dr. Martin Luther King, Jr.
