Within the Robotics Club:

- All extracurricular activities outside of school require parent permission;
- Member fees will go toward the extracurricular activities mentioned;
- Members are required to pay an annual fee of 40 dollars within a month of the first meeting to participate in club activities including competitions;
- Officers must attend every meeting unless cleared with other officers at 24 hours before planned meeting;
- Additional fees may be required for club members to participate in competitions;
- Club members will be notified of additional costs at least 4 weeks prior to when they are due;
- Club members are required to attend at least 5 meetings within a month period;
- Meetings will be held every Monday and Wednesday after school until 3:30 pm unless cancelled at least one week in advance;
- Elections will be held with a double-blind vote;
- Winner of election will be determined by a soft majority;
- Each losing candidate will be allowed one drop down to a lower position;
- All amendments to bylaws must be accepted by a hard majority of club members;
- Captains will be appointed by officers and will be responsible for leading each building team;
- Captains do not hold the same decision-making power as officers;
- President is responsible for overseeing all club activities, including the other officers, and ensuring the sponsor is informed of club activities;
- Vice President is responsible for overseeing captains and their building teams;

- Secretary is responsible for informing all club members of meetings (as well as cancellations), keeping attendance at each meeting, and manage club bylaws;
- Treasurer is responsible for managing club funds, including sponsorships and donations;
- Officers and sponsor must discuss and negotiate all major club events including fundraising, competitions, and meetings;
- President and Vice President must formally meet with each sponsor;
- Other officers are allowed, but not required, to attend meetings with sponsors;
