## 2021-2022 Parent-Student-Teacher Compact/Agreement

Fairview Middle School will:

1. Provide high quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet Florida's student academic achievement standards. A major commitment has been made by Fairview Middle School to implement district and school Benchmark Guides and Curriculum Focus Guides. Benchmark Guides will be utilized in order to target and schedule Parent conferences, Student data chats, and progress monitoring assessments as well as benchmark mastery of Florida State Standards. Research based strategies will continue to be implemented in reading, writing, math and science for the 2021-2022 school year. In addition, school wide, research-based reading strategies and professional development with continuous follow-up trainings will be ongoing, and monitored throughout the year with daily classroom visits.
2. Hold Parent teacher Conferences during which this agreement will be discussed as it relates to the individual student's academic achievement. Fairview shall develop a Student-Parent-School Agreement. The agreement shall outline how administrators, faculty, parents, and students will share responsibility for improved student achievement. It will also provide means by which the school and parents will build a partnership to help students achieve the state's academic standards. Agreements will be discussed with teachers prior to the first progress report distribution. Agreements will be shared and discussed with parents and students during the Open House and the initial Parent Teacher Student Conference. Fairview will schedule Parent Teacher Student parent conferences throughout the school year to meet the needs of all students.
3. Provide students and parents with frequent reports of their student's progress. Specifically the school will provide reports as follows. School to home communication is a key factor to parent involvement and student success. Student progress reports shall be provided to all parents regarding their student's academic standing on a mid-quarterly basis-during the fourth week of each nine week grading period. Parent Portal, our online grading and attendance system is available to parents 24 hours a day 7 days a week. Teachers are asked to upload and post grades weekly. Each nine weeks students will be issued a student report card at the conclusion of each nine week period.
4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:
  - a. Parents may schedule conferences before school (and during school days when teachers are available)
  - b. Parents will be consulted on availability for response to intervention team meetings
  - c. Teachers will be present and available
  - d. Access to teacher email lists on school website
  - e. Parents are encouraged to use agendas, emails, and/or phone messages for contact with teachers
5. Provide parents opportunities to volunteer in their student's school and to participate in their student's class and observe classroom activities, as follows: As part of our Parent Involvement Plan Fairview Middle School offers parents an opportunity to enhance their involvement in school activities through volunteerism and mentoring.

Parent Volunteer Opportunities (may include):

- Distribute materials used by students

"The Leon County School District does not discriminate against any person on the basis of race, color, ethnicity, national origin, religion, age, sex (including transgender, gender nonconforming, and gender identity), marital status, disability, pregnancy, sexual orientation, or genetic information."
