Drawing Network Model Cartoons

In this activity, you will create cartoons describing how computers on client/server networks and peer-to-peer networks interact.

1. Use the first box below to draw a cartoon that illustrates how computers interact on a client/server network.

2. Use the second box below to draw a cartoon that illustrates how computers interact on a peer-to-peer network.

Client/Server Network

Peer-to-Peer (P2P) Network
