## 2019/2020 Supply List

Welcome to Seventh Grade!

The list below provides a minimum of items that your rising seventh grader might need as he or she heads back to school in the fall. However, many teachers at Montford Middle School require additional items for student success in their classes.

For guidance in selecting classroom-specific back-to-school items, visit individual teachers' web pages at the Montford Middle School website ([www.leonschools.net/montford](http://www.leonschools.net/montford)).

The seventh grade team looks forward to seeing your student in the fall.
