

Hardship Application Information

- Hardship - When a student has a documented economic or medical condition, a hardship request may be submitted to attend a school other than the student's home-zoned school. Hardship requests are reviewed by the hardship committee on a monthly, case -by-case basis. **The student must remain enrolled at his/her current/home-zoned school until hardship approval has been granted. Applications will not be accepted for over-capacity schools.**
- The hardship meeting is held the second Thursday of each month. You will need to submit your application by the end of the first week of the month. You will be notified by mail the third week of the month with the committee's decision.
- False Information - Parents/Legal guardians and adult students shall be responsible for ensuring the accuracy of the primary residence address furnished to the school and for maintaining such information. **Students assigned to any public school based upon a false, incorrect, or inaccurate residence address, choice documentation or other false information, including homeless status, shall be immediately reassigned to the appropriate school by the Superintendent, or if out of county, withdrawn to their county district of residence.**
- Unfortunately some schools are over capacity and not able to accept students that are not in their zone. **If the school you are requesting is not listed, they are over their capacity and have no seats available.**
- **A student must be entering kindergarten and be five (5) years old on or before September 1 of the current school year to be eligible for reassignment.**
- Admission is based on program requirements, school-wide capacity, and when the complete application is received.
- A student's reassignment may be revoked for failure to meet the schools attendance and discipline policy 5120.
- Transportation - Unless otherwise stated, for all reassignment and school choice options, transportation shall be provided by parent/legal guardian. Depending on seat availability, requests for bus transportation may be honored on existing routes. Priority will be given to home zoned students.
