## A STRONG START TO A NEW YEAR

Welcome all new and returning students to the School of Arts and Innovative Learning! My name is Matt Roberson, and I will be serving the SAIL community as Principal for the 2020-2021 school year. Tiffany Williams is taking a temporary leave, but will still be connecting with friends and families of SAIL.

Congratulations to our rising senior class of 2021, and welcome incoming class of 2024 to the SAIL family!

SAIL’s campus has been vacant for 168 days, and now is the time to bring innovative learning back to you, our beloved students. Whether connecting as a SAIL Digital Academy student or a SAIL student on campus, our teachers and staff are ready for the challenges this school year will bring. Our mission is to continue with serving our community of learners with an innovative, high-quality, respectful and caring environment with the foundation necessary to become responsible citizens. To be successful, it is critical that we communicate and work together in promoting a safe and respectful environment for all students, teachers and staff.

Parents, we value your partnership and appreciate ALL of your support. As we begin the 2020-2021 school year, student and teacher safety will be our number one priority. This year will take a family effort to ensure we monitor and follow all CDC guidelines put forth by Leon County Schools.

Please, take the time to reinforce the new school health and safety procedures with your student, join our listserv and maintain updated contact information in FOCUS.

Together we can start and finish the year strong.

Respectfully,  
Matt Roberson  
Principal, SAIL High School
