

Filling in the Missing Code

In this activity, you will write the correct HTML tags in the spaces indicated. The code below should display a document title, a heading in the largest setting, a paragraph and a numbered list with three items. Fill in the correct tags in the spaces provided (<_____>).

!DOCTYPE html>	
chead>	
<>My Favorite Fruits<>	
:/head>	
zbody>	
<>My Favorite Fruits<>	
<>I really love fruit. My absolute favorites are in the li	st
<>	
<>Bananas <>	
<>Strawberries <>	
<>Watermelon <>	
<>	
z/body>	
c/html>
