

BE A KINDNESS WARRIOR

KINDNESS ACT: LITTER PICK UP

Pick up litter to help keep the community and environment clean

To get service hours for your act of kindness you must do the following:

1. Complete the Random Acts Photo Release form for yourself and anyone else that was pictured or captured on video.
2. Photos/video is how we document your project. Take before and after pictures/video and while you are completing the act. The more the better! You may want friend or family member to help you with this.
3. Email Ms. Cash with the following information:
 - Your name, grade level, date of act completion and phone number
 - Attach the signed photo release form and any pictures/video taken to document your project
 - How much time it took you to carry out your act (1 hour? 5 hours?)
4. A paragraph or two (more if you want!) explaining why you selected this act and how it made you feel to carry it out.

Once you have completed the above steps, just bring Ms. Cash your service hour form to be signed.

We believe through community service and kindness, we can change the world. Each kind act we do, no matter how big or how small, makes a difference. We hope to encourage others to make each day kind and join us in our kindness movement.

Have an idea for
a random act of kindness?

WE CAN FUND IT!

Go to www.randomacts.org to apply for funding up to USD\$499 (applies worldwide!) to bring kindness into someone's life :)
