

Chiles High School
Rising 10th Grade
Optional Summer Reading Assignment
2022-2023

This summer, your assignment is to read for enjoyment. You can read anything; we just ask that you read *something*. Reading helps to increase your vocabulary and to improve your writing, so make a selection (or two) and enjoy!

If you aren't sure WHAT to read, here are some suggestions:

Nazi Hunters Neal Bascomb
The Alchemist Paulo Coelho
The Joy Luck Club Amy Tan
Paper Towns John Green
The Jungle Upton Sinclair
The Book Thief Markus Zusak
Things Fall Apart Chinua Achebe

Other options can be found on the Florida Teens Read list. **Please note that the books on this list may include sensitive issues. The content of some of the titles may be more mature than younger students have previously encountered. Parent participation is essential in guiding their child to appropriate and challenging material. The books on this list have not been read or vetted by Chiles High School employees, so it is up to the discretion of the student and parents to determine whether the content is appropriate. **

When you return to class in August, you will be assigned a short story which will introduce the central literary concepts for the year. Your completion of assignments associated with this text will serve as your "summer reading" assessment.

Read a good book of your choice and have a great summer!
