

Writing HTML Code with W3Schools

Try It Now — Part 1

In this activity, you will learn more about writing HTML code by completing a tutorial on the W3Schools Web site.

1. Go to the W3Schools Web site (www.w3schools.com).
2. This page contains several different tutorials. Click the HTML Tutorial button.
3. You will see a list of chapters on the left side of the page.
4. Beginning with the HTML Home chapter and ending with the HTML Head chapter, review the information and then perform all the Try It Yourself activities in these chapters.
