

Using Meta Tags with W3Schools

Try It Now

In this activity, you will learn more about meta tags by completing a tutorial on the W3Schools Web site.

1. Go to the W3Schools Web site at www.w3schools.com.
2. Click the HTML Tutorial button.
3. In the list of chapters on the left side of the page, click HTML Head.
4. Scroll down to the subheading that reads "The HTML <meta> Element." Review the tutorial content in this section.
5. Visit www.w3schools.com/tags/tag_meta.asp and complete the Try It Yourself activity.
