

# Being Legal and Fair

---

In this activity, you will complete online activities to learn more about copyright, fair use and other legal issues related to Web design.

1. Visit the Be Legal and Fair page from the 21 Things 4 Students site at [www.21things4students.net/21/be-legal--fair/](http://www.21things4students.net/21/be-legal--fair/).
2. Complete the three Quest activities.
3. After you have completed the Quests, take the Be Legal and Fair Quiz.
