

Focus Parent Portal now hosts the Hardship Application!

To submit a Hardship Application for the **2019/2020** school year, parents need to log into their Focus Parent Portal account.

The application is found by clicking on the “**Forms**” menu, then clicking on the “**Hardship Application**”.

Parents without a parent portal account or parents of students not currently enrolled in a Leon County School will need to visit <https://www.leonschools.net/parentportal> for further instructions on how to register a new parent portal account or enroll their child.

**Please contact helpdesk@leonschools.net or call (850) 487-7524 (8am-4pm) for further assistance.*
