

How to Claim your account without a Remind email notification

Step 1: Go to Remind.com

Step 2: Select 'Log in'

Put your LCS email address in the address bar and select 'Forgot' password. Do NOT USE YOUR CELL NUMBER. We are rostered by email addresses!

Step 3: Go to your LCS email and follow the 'reset instructions' in your email. The password you create should be a 'static' password—meaning it does NOT change with our LCS passwords.

It features a title 'Log in' and a form with the following elements: a label 'Email address or phone number' above a text input field; a label 'Password' above a text input field with a 'Forgot?' link to its right; a checkbox labeled 'Stay logged in'; a blue 'Log in' button; an 'OR' separator; a 'Log in with Google' button with the Google logo; and a link 'Don't have an account? Sign up!' at the bottom. A green arrow points to the 'Forgot?' link.

You should then be able to access your LCS District account for Remind.
