

Directions for Writing Answers

In a PDF file and emailing back to teachers

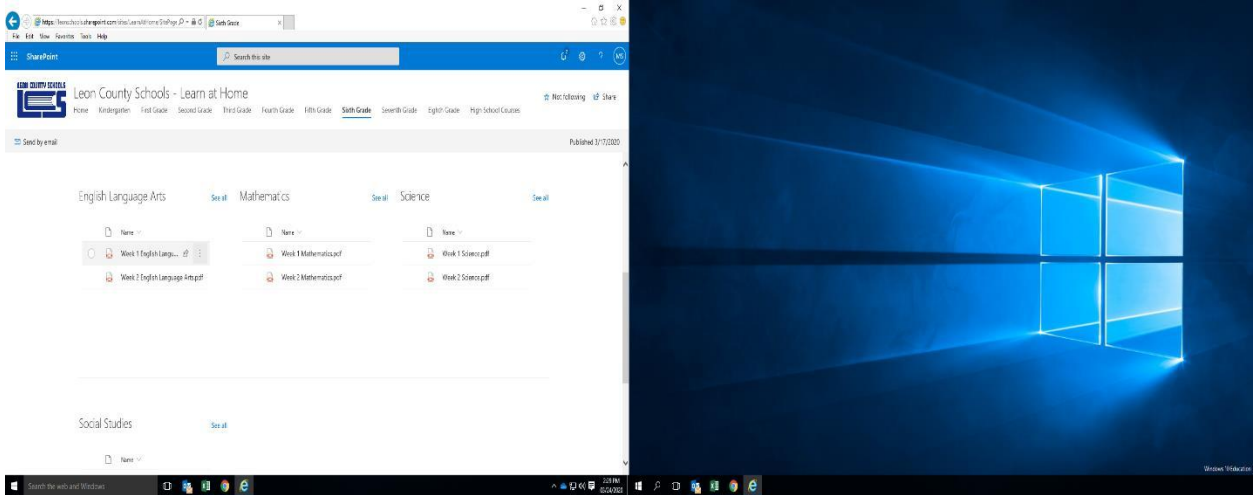

1. Go to website that is hosting the Learning Packets:

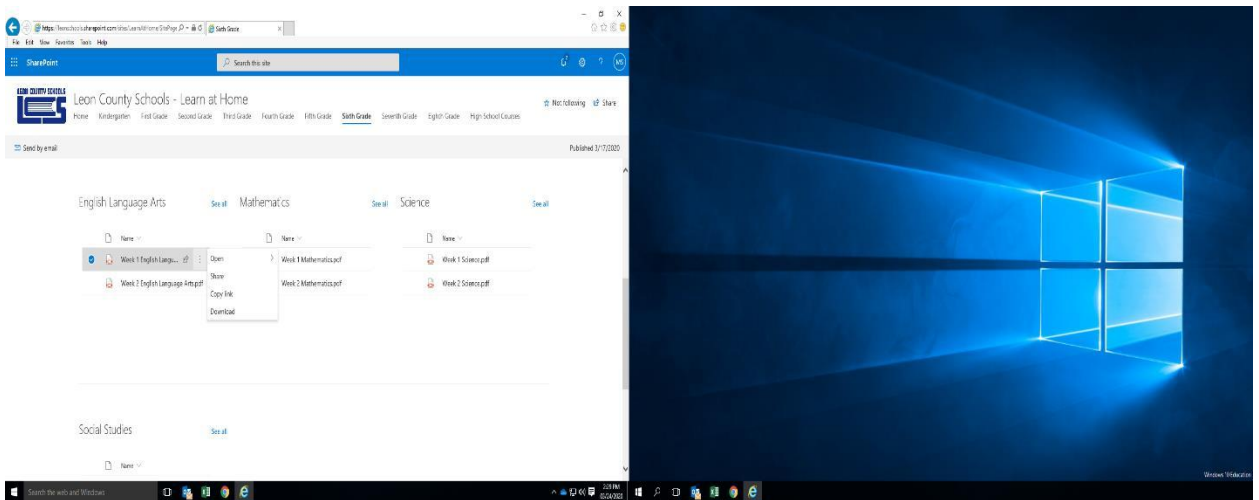

2. Click on the Grade level Folder:

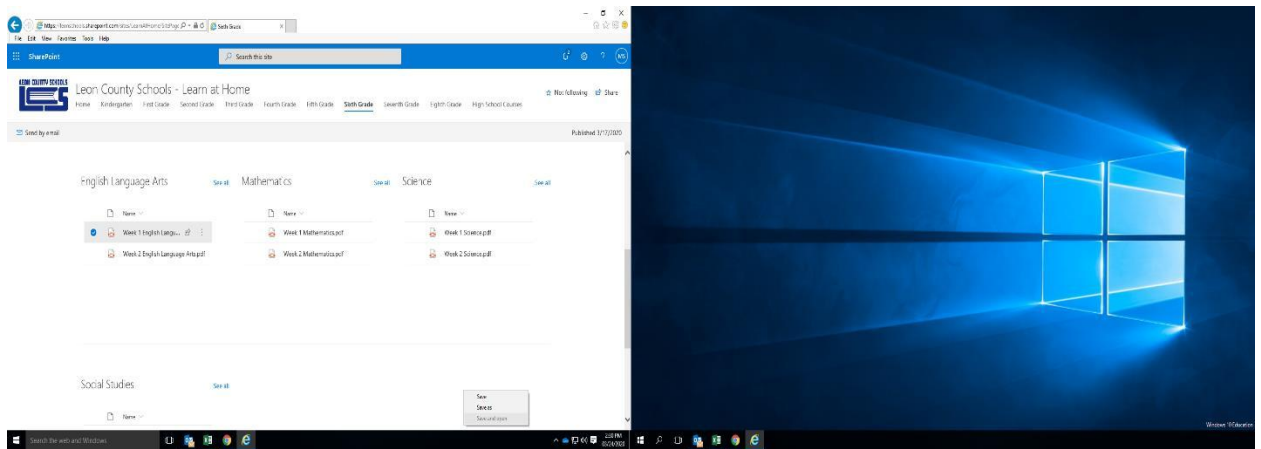

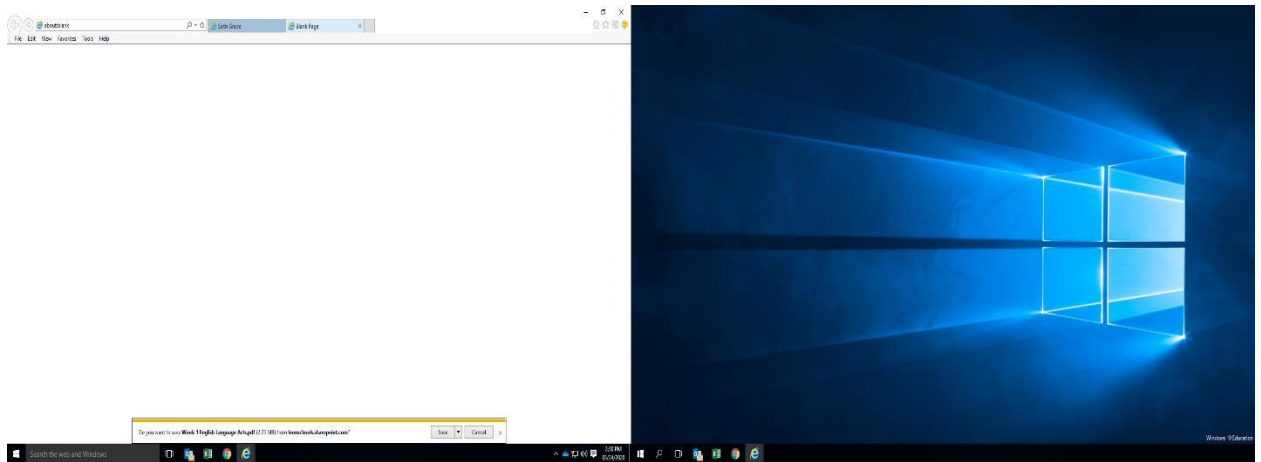

3. Go to the appropriate Subject Area and click on the three dots to the right of the packet:

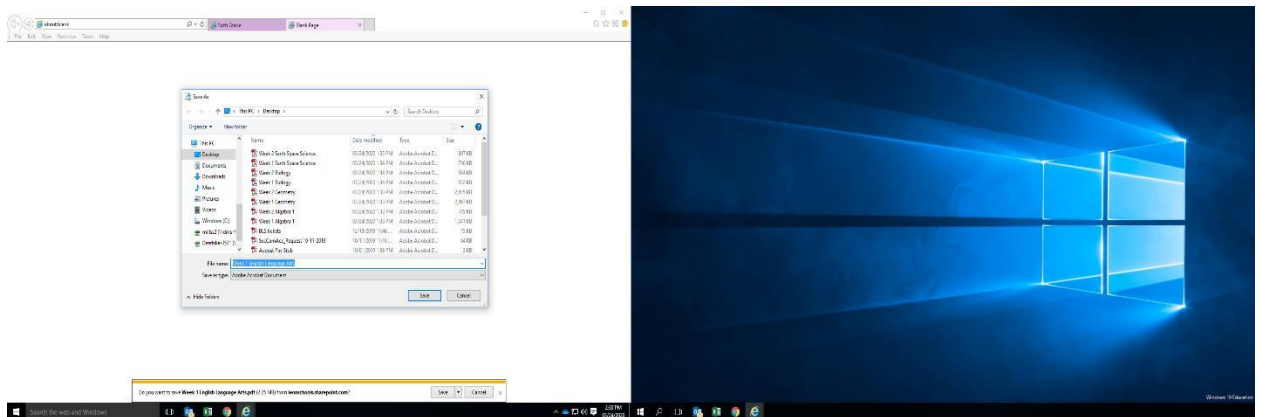

4. Click on Download

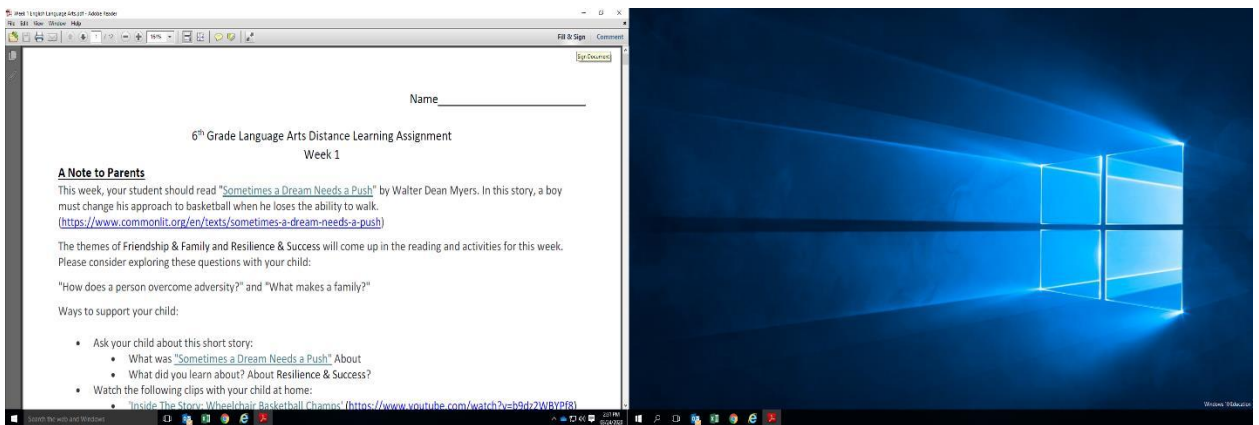

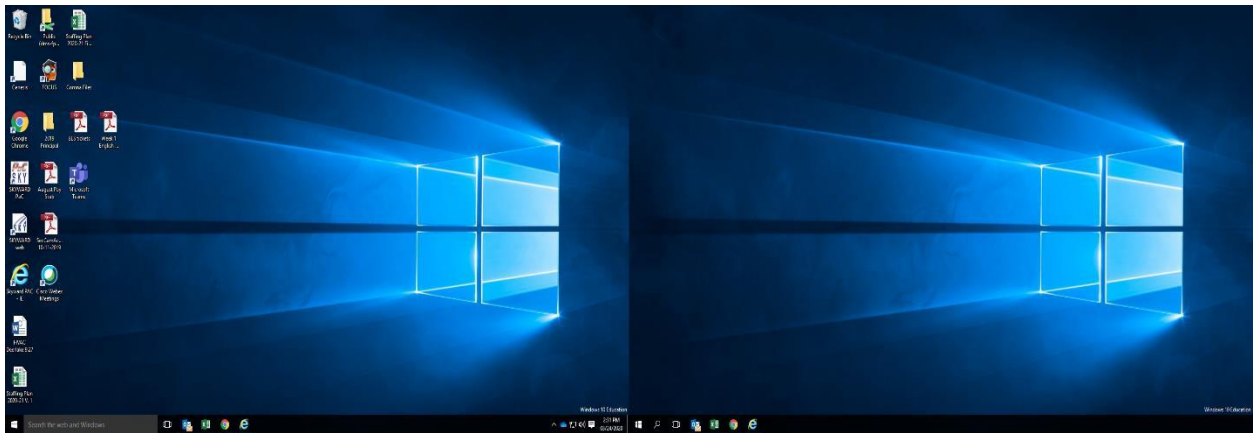

5. A new window will open and at the bottom of the screen you will see a bar that says Save. Click on the are next to the word Save and click on Save As

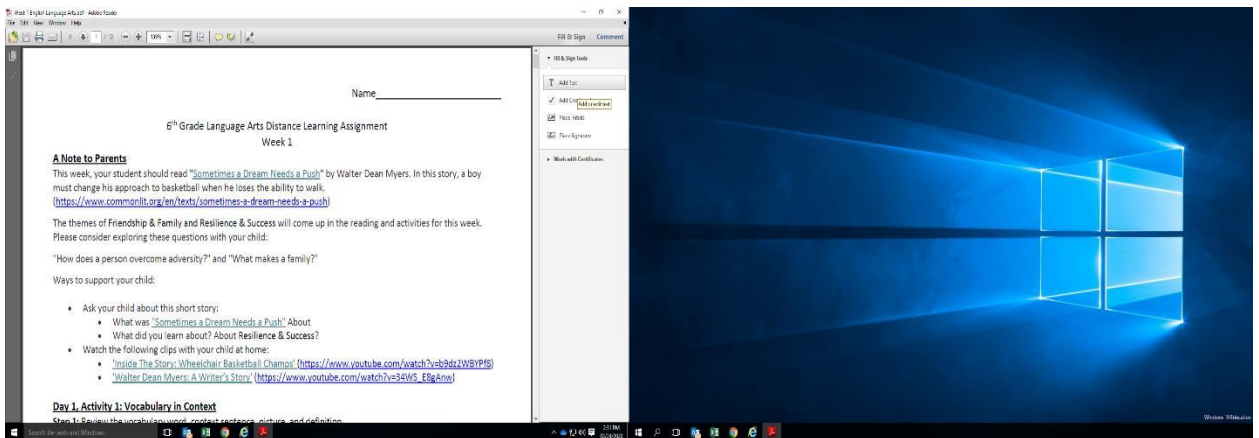

6. Save it to your desktop:

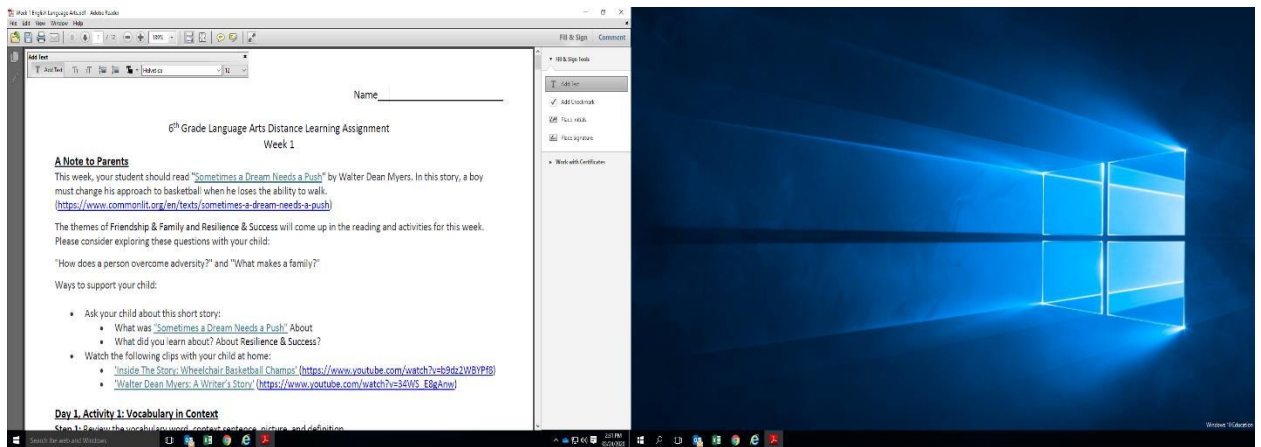

7. Once saved to your desktop, open the file in Adobe Acrobat Reader. This is a free download you can get from Adobe, many computers already have this loaded.

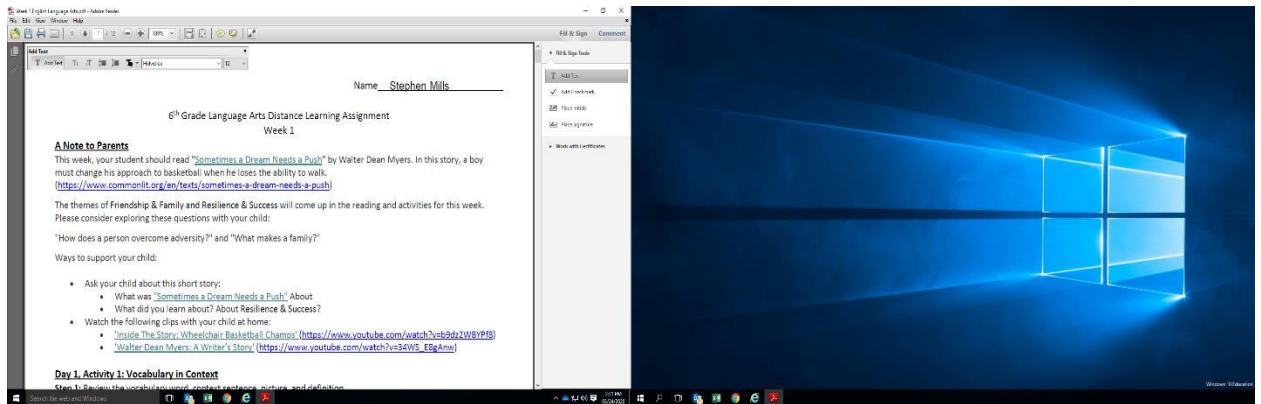

8. Once opened in Adobe off the desktop, click on the button called Fill&Sign:

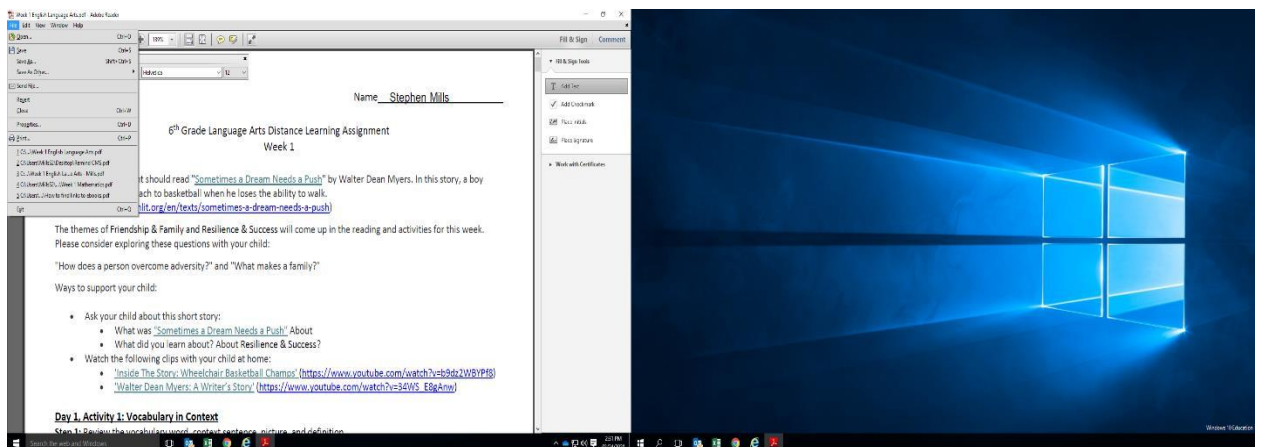

9. Click on Text and move over to Name or any underlined section and click the right mouse button:

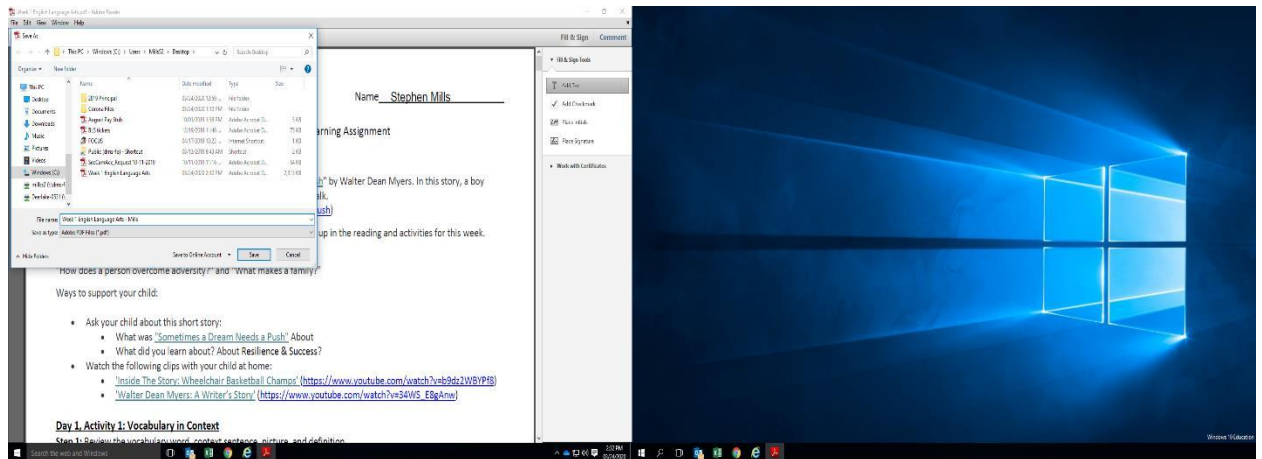

10. Start typing your Name or text to answer the question:

11. Once finished, Go to File tab and click on Save As:

12. Save your file by adding a dash and last name to the file:

13. To send to teacher, open up your personal email application and email the file with name attached to the appropriate teacher.
