

Name _____

My Energy Robot Planning Page

The robot you design must produce at least three forms of energy. Circle the forms of energy your robot will produce. Then explain the specific feature of your robot for each form of energy you circled.

Electrical _____

Sound _____

Light _____

Mechanical _____

Thermal (Heat) _____

DRAW A SKETCH OF YOUR ROBOT IN THIS BOX.
LABEL THE FORMS OF ENERGY.

A large rectangular box with a decorative border of small black dots. The text 'DRAW A SKETCH OF YOUR ROBOT IN THIS BOX. LABEL THE FORMS OF ENERGY.' is written inside the box at the top.
