

Activities and Lessons for Grizzlies At Home 4-28

Head under the sea with us this week! Look at some resources we've put together for some coral reef fun!

CORAL REEF FIELD TRIP

<https://florida.pbslearningmedia.org/resource/b8bf3ef8-45de-4f90-9ed2-ad2f3d2d5de3/nature-works-everywhere-virtual-field-trip-coral-clip/#.XqdrHW5FyUk>

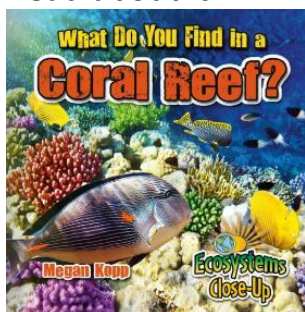

Did you know that coral reefs are often called the rain forest of the sea? That is because of the amazing biodiversity found there.

Watch it:

Watch this video to learn how coral reefs are formed and see the coral, fish, turtles and more that live in the coral reef habitat - <https://www.youtube.com/watch?v=J2BKd5e15Jc>

Read about it:

What Do You Find in a Coral Reef?

Copy the link and put it in your browser to read this book about the incredible diversity found in a coral reef
