

Early Childhood Institute at Lincoln High School

Dear Teacher,

The student below has expressed an interest in the Early Childhood Institute at Lincoln High School. Because this program is limited to a small number of students, those interested must complete an application and obtain two positive teacher recommendations. Their academic and behavior must be superior.

The Institute is for students interested in pursuing a career in education or working in the child care industry. These students will participate in class and in the on-campus childcare center with the teachers' children. Please keep this in mind as you evaluate each applicant. Thank you for your input in helping us select responsible students
