

The State of Florida

“The Sunshine State”

Checklist:

The State of Florida is a beautiful state filled with wonderful treasures from Escambia County to Monroe County. From the beautiful sandy beaches of Panama City, to the theme parks of Central Florida, to the cattle farms, and the shores of Lake Okeechobee Florida is a great state. As a way to discover and learn some of the unique treasures of our beautiful state, each student has been assigned a county to explore. Students will be responsible for finding the information listed in the checklist. The information will need to be put on a poster board cut out in the shape of the assigned county.
